Open to the light,

That guides us through darkest nights,

Together, we rise.

So let us be open,

To the beauty life bestows,

To the journey ahead.

Let our spirits soar,

With courage, we will embrace,

Every chance to grow.

For to be open,

Is to live life to the full,

With arms stretched so wide.

In the silence, hear,

The whispers of the universe,

Calling us to trust.

In the open air,

Feel the freedom in each
